# BEAD

# AS A SUBCONTRACTOR

## YOUR AERIAL INTELLIGENCE PARTNER.

Birds Eye Aerial Drones (BEAD) is a veteran-owned small business delivering precise, timely, and risk-conscious aerial data solutions to prime contractors across infrastructure, utility, transportation, environmental, and A&E sectors. Our teams are 100% in-house, FAA-licensed, and built to support your project from RFP to closeout—with zero compromise on quality or safety.

## WHY PRIME CONTRACTORS CHOOSE BEAD

- **CERTIFIED & COMPLIANT**  
AS9100D | FAA Part 107 | ISNetworld A+ | CPUC | DVBE | SDVOSB | BBB A+
- **ZERO OUTSOURCING**  
All flight crew are full-time BEAD employees—trained, vetted, and safety-certified.
- **ELITE SAFETY RECORD**  
\$10M insurance | FAA BVLOS Waiver | Tier 1 Safety Contractor | CPR/First Aid crews
- **HIGH-IMPACT DELIVERABLES**  
LiDAR, Thermal, 3D Modeling, Substation Mapping, ROW Inspections, Confined Spaces, BVLOS
- **ON-DEMAND SCALABILITY**  
We mobilize quickly, scale to scope, and deliver sub-1% Return-to-Vendor (RTV) data.

## TRUSTED BY INDUSTRY LEADERS

- SCE, SDG&E, PG&E – Ongoing utility infrastructure inspections
- NCTD / Leighton – UAS policy development + erosion modeling in secured zones
- LA Metro – 350+ miles of ROW mapped for GIS system
- Kimley-Horn / Kleinfelder – LiDAR, environmental AOC, and bridge inspection
- Rick Engineering – Airspace-restricted aerial imagery and media deliverables

*"We no longer consider BEAD to be contractors. We consider them partners."*

- Transportation Engineering Client

*"BEAD's professionalism and precision have made them a trusted partner for our critical projects."*

- Water Utility Client

## LET'S BUILD TOGETHER

• We understand your deadlines, compliance needs, and the pressure of public sector delivery. As a subcontractor, BEAD integrates cleanly into your team—with minimal oversight and maximum performance.
